

Public Health Passenger Locator Form

Before you travel to or through the UK, you must complete this form. Read about the new UK border rules and check if you are exempt.

We will use the information you provide, to contact you if a passenger on your flight, ship or train tests positive for coronavirus (COVID-19).

Each passenger travelling in a group must complete a separate form. If you are travelling with someone under 18 years old, they do not need their own form, provided you:

- add their details into your form

Before you start you will need:

- your passport information
- your travel details, including times and dates
- the address where you will stay in the UK (if applicable)

You cannot submit this form until 48 hours before your arrival time in the UK.

You can save your information and complete it later. If you are inactive for 25 minutes, you will be automatically signed out. If you do not return to this form within 7 days, your information will be deleted.

The information you provide will be used by the Home Office and Public Health England, as described in the privacy policy.
